

Dear Quicksilver Entertainment,

First Truck Centre was highly satisfied with the professionalism of Quicksilver Entertainment and the performance of Matt (Acetrife) at our Customer Appreciation Day on June 19, 2008. I would recommend you without hesitation to anyone interested in booking you.

As the entertainment planner for our event, my sole interest was in keeping our attendees happy, and giving them a memorable experience. You made our event the most memorable we've ever had! Our staff and customers were laughing so hard in disbelief they could hardly believe their eyes! You tailored your act brilliantly to our audience, and I could tell that you continually adjusted your performance to your audience's reaction. That's truly the sign of a consummate professional. And as further evidence of your success, a number of people contacted me afterwards on how to book you for their own events.

I wish you continued success and I hope to work with you in the future.

Best regards,

Scott Brook
